## Frank Syron Memorial Tournament Entry

Golfers,

The last year has been an interesting time that has led to an upswing in golf play across the country. The Pandemic has reminded both regular golfers and the less avid golfers of the beauty associated with this game we love. With this increase in national golf interest, we expect this year's Syron Memorial Tournament to be one of our most popular and competitive tournaments in years. We are excited to provide a wonderful weekend of golf for all of you this July 2-4th.

Last year's tournament was one of our most exciting in recent years. Anthony Sorentino, the runner up in 2019, won the tournament with close competition from his runner up, Grant Haefner, and 5 other players that were within striking distance of victory on the final 9 Sunday. Players and spectators witnessed an exciting see-saw battle in which players rose and dropped from the leaderboard during those tense final moments. In all there were 15 players who posted scores between even par and 4 under par.

As many of you know, this has been a difficult two years for the Syron family. We lost multiple members of our family including: Lloyd's wife, Mary Therese, his daughter, Maureen, and his brother in law, John. We also lost Frank's wife, Pat, and his daughter, Debbie. As if all this tragedy wasn't enough, Lloyd's daughter, Bridget, was diagnosed with ALS (Lou Gerig's Disease) this Spring. She is currently under Hospice care at Lloyd's home. She is surrounded by her loved ones who are ensuring that she will peacefully and comfortably live out her remaining days. While many of you know Mark and Mike Syron through their dedicated work managing the golf side of the operations at Pontiac Country Club, you may not have had the opportunity to get to know Bridget. Bridget has spent the last 25+ years managing the restaurant side of our family business. To remember and celebrate Bridget's legacy, as well as that of the other recently departed members of the Syron family, we are hopeful that some of our spectators and contestants will consider donating to the ALS Association. The ALS Association works to help families with loved ones battling ALS as well as helping to fund research to find a cure. We will provide donation bins at the course during the Tournament, and we have created a charity link on our Facebook Page. The following is a link to the donation site on our Facebook page (that must be cut and pasted into a browser): <https://www.facebook.com/PontiacCountryClub/posts/3946658705373338>

We plan to make this year's Syron Memorial 54 Hole Medal Play Tournament a fun and memorable experience for everyone.

Enclosed is an entry for the weekend. With the expected high demand for this year's tournament, we recommend that you promptly submit your application with your payment to reserve your spot. We look forward to seeing you soon.

Sincerely yours,  
*The Syron Family*
